

2016 – 2017 ANNUAL CONTRIBUTION CAMPAIGN

By design, the PGC’s annual tuition has a deficit of \$800 per singer so that all girls may participate in our program regardless of family economics. Through foundation and corporate support, the PGC has traditionally been able to cover half that amount. As a community, the PGC families make up the remainder, through our fundraisers, and through our Annual Contribution Campaign. Foundations look closely at the percentage of families who participate when deciding whom to fund for future grants. The PGC’s goal is 100% participation from all families, regardless of amount. Your generous gift helps us maintain our fine tradition of including any girl who wishes to sing, regardless of ability to pay.

Please indicate if your employer has a matching grant program. If you do not know, please check. Your generous donation could be as much as doubled!
