

About the Peninsula Girls Chorus

The Peninsula Girls Chorus was founded in 1994 with just 11 singers. Now in our third decade, we continue to reach singers across the San Francisco peninsula with our life-changing program. Voted by CBS local news as one of the top choirs on the peninsula, the Peninsula Girls Chorus (PGC) now has over 200 girls in six chorus levels. We are thrilled to be offering our new program, "PGC Coastside" to 4th-6th grade girls in Half Moon Bay!

Rehearsals: PGC Coastside rehearsals will take place at Alvin S. Hatch Elementary School. We will meet Thursdays, September-May from 3:30-5:00 p.m. Karyn Silva, PGC's Artistic Director, will be the PGC Coastside conductor.

Performances: PGC Coastside will participate in two major concerts---one in December and one in June. Additional community and school performances will be added as opportunities present themselves.

Tuition and Fees: Part of PGC's mission is to reach all girls who love to sing, regardless of ability to pay. Through generous foundation and donor support, we are able to offer a reduced tuition for all PGC Coastside participants. Tuition is \$200 for the fall semester and \$250 for the spring semester. Those families who qualify for free or reduced lunch will receive a reduced rate on tuition.

Uniforms: One uniform item will be provided by the PGC. Families will be responsible to provide black bottoms (pants or skirts and black tights) and black shoes as part of the uniform.

Parents: The PGC's success is due, in great part, to the active support and involvement of our singers' families. Parents participate in a wide range of volunteer activities. Please consider where you might be able to help in the variety of tasks needed for a successful experience for your singer.

More Information: Please visit our website at: peninsulagirlschorus.org for more detailed information on our mission, our staff, and links to recordings and video of each of our choirs. We can also be found on Facebook at: www.facebook.com/PeninsulaGirlsChorus
